

# FUTURE BROADWAY PLANS

April 30th, 2024

## Sunset Boulevard

Nicole Scherzinger will bring her “unmistakably triumphant” (*Telegraph*) performance as ‘Norma Desmond’ to Broadway this year in director Jamie Lloyd’s new production of Andrew Lloyd Webber’s *Sunset Boulevard*. The production was hailed as London’s 2023 “best show of the year” (*Time Out*) and features book and lyrics by Don Black and Christopher Hampton, based on the Billy Wilder film.

Haunted by her memories and dreams, movie star Norma Desmond (Scherzinger) yearns to return to the big screen. A struggling screenwriter (Francis) who can’t sell his scripts to the Hollywood studios may be her only hope, until their dangerous and compelling relationship leads to disastrous circumstances. Drenched in champagne and cynicism, *Sunset Boulevard* scrutinizes the ambitions and frustrations of its characters and their intoxicating need for fame and adoration.

**First performance: 09/28/2024**

## A Wonderful World: The Louis Armstrong Musical!

*A Wonderful World: The Louis Armstrong Musical* is the new musical about the life and loves of Louis Armstrong, starring Tony Award® winner James Monroe Iglehart as the legendary American icon. *A Wonderful World* charts Armstrong’s incredible journey from the birth of jazz in his native New Orleans through his international stardom. It features beloved songs recorded and made popular by Armstrong, including favorites like “What a Wonderful World” and “When You’re Smiling,” among many other standard favorites.

**First performance: 10/16/2024**

## Tammy Faye

It’s the 1970s. As satellites broadcast brand-new cable programming into American homes, millions fall in love with Tammy Faye Bakker – the charismatic wife of pastor Jim Bakker. Together, they build a nationwide congregation that puts the fun back into faith. But, even as Tammy dazzles on screen, jealous rivals plot behind the scenes, threatened by her determination to lead with love.

Wrapped in a joyful and deliriously fun score that could only come from Elton John, with lyrics by Scissor Sisters’ Jake Shears, a book by Olivier Award-winning playwright James Graham, and directed by Olivier Award winner Rupert Goold, *Tammy Faye* shines a sparkling light on the generous, loving, often lonely soul behind the illustrious lashes.
